EU licence for importing and exporting fluorinated greenhouse gases under Regulation (EU) 2024/573

This is an extract from the EU F-gas Portal, dated 08/01/2025 ¹

WAECO Germany WSE GmbH

DE510308967384964, Germany, Emsdetten 48282, Hollfeldstraße 63

has a valid registration in the F-gas Portal pursuant to Article 20 of the F-gas Regulation (EU) 2024/573 as an

- Importer of bulk F-gases
- Exporter of bulk F-gases

with the following F-gas Portal ID number: 73610

The above undertaking is therefore licensed to import bulk F-gases / export bulk F-gases.

Please note, the company also requires:

- For importing bulk HFCs: Sufficient quota in tonnes CO₂ equivalent at the time of release for free circulation.

Quota and authorisations amounts are accessible to EU customs authorities via the F-gas Portal (<https://fgas-licensing.ec.europa.eu/fgas>).

This printout is for information purposes only. It does not constitute a proof that the licence is valid, irrespective of the status indicated. Only the electronic version in the F-gas Portal is considered authentic.

¹ If date is not recent, an updated printout may be demanded from the importer as the printout function from the electronic system is generally available at all times.
